**Petition for Waiver of
FCC Form 471 Filing Deadline for Funding Year 2019
RE: FCC Form 471 BEN 128722**

I. INTRODUCTION AND SUMMARY

The North Pike School District (“North Pike District”) serves low income pre-kindergarten through Grade 12 children spanning one county in Mississippi. Since 2015, North Pike School District has been a very small but successful participant of the E-Rate program.

The North Pike School District submitted and certified their Funding Year 2019 FCC Form 471, 191041073, in the “Apply Online” portal of the Schools and Libraries Division (“SLD”) of the Universal Service Administrative Company’s (“USAC”) website, on insert date you filed your Form 471, just 21 minutes after the FCC Form 471 filing deadline of March 27th 2019 Form 471 filing deadline.

A staff member of the rural North Pike School District works E-Rate into his already busy work schedule and is the sole staff member performing E-Rate duties. The 471 was filed late because

the USAC Portal would not accept the item 21's and the help desk at USAC instructed us to certify without the item 21's and to submit them at a later date, during the review/outreach period.

II. Request

The North Pike School District respectfully petitions the Commission to request a waiver of the Funding Year 2019 FCC Form 471 filing deadline on behalf of the North Pike School District to allow the Out of Window submission of their E-Rate Funding Year 2019 FCC Form 471 #191041073, due to trouble with the EPC Portal

Respectfully submitted,
